Dear Jim,

This letter will serve as official authorization to signify that Medical Graphics Corporation is an OEM business partner of Mortara Instrument, Inc. and thereby fully authorized to sell Mortara's XScribe Stress Exercise Systems in conjunction with Medical Graphics' Breeze Suite Pulmonary System in order to provide your customers with a combined pulmonary stress product offering.

This authorization is valid worldwide without exception. While Mortara Instrument has registered the XScribe for sale as a standalone stress system in most countries, Medical Graphics will be responsible for any required registrations applicable for the combined product offering.

We look forward to continuing our successful partnership in this combined product offering market.

Sincerely,

Brian Brenegan
Senior Vice President
